Hi Cortney,

Attached are the documents that we owe you:

- 1) The revised preamble incorporating your comments;
- 2) Three documents that you requested during the preamble review (Docket numbers 0001, 0002, 0015);
- 3) The Background Information Document is attached, and answers to questions you had during the review. I have attached a separate document outlining your global and specific comments, and how we addressed them;
- 4) The Interagency comments;
- 5) A presentation from Uranerz regarding U3O8 prices in the future;

As you know, we have blocked in a time for this Friday at 10 AM in case you have questions or comments. Please let me know if you would like to reschedule due to time limitations. Also, please contact me if you have further questions or comments. Thanks

Regards,  
Reid
